

Willy's Manor Walkthrough

Clue One

1. Enter Manor and go north until you reach the puzzle room
2. Push the button and receive the first clue (answer: towel)
3. Go to the kitchen and open the drawer to find a towel
4. Return to the puzzle room and take the leaflet out of the box, put the towel in the box and pull the lever

Clue Two

1. Push the button and receive the second clue (answer: ants)
2. Take the iron key from the box and go to the Main Hallway North
3. Open the cabinet and take the two jars. Open the square jar
4. Return to the puzzle room and put the ants in the box (not the jar, just the ants) and pull the lever

Clue Three

1. Push the button and receive the third clue (answer: pan)
2. Take the wooden key from the box and go south
3. Unlock the wooden door with the iron key and enter the Workshop (east of you)
4. Take the slingshot (read the directions if you need to, or type 'help' for a list of commands)
5. Go to the kitchen and open metal door with wooden key
6. Enter the Pantree and shoot the golden pan with termites
7. Return to the puzzle room and put the golden pan in the box and pull the lever

Clue Four

1. Push the button and receive the fourth clue (answer: trunk)
2. Take the leaf key and go south
3. Unlock the glass door with the leaf key and enter Four Seasons NW

4. In Four Seasons NW, if the season is not fall (you don't see leaves) enter the pond
 - if the season is fall, go to different parts of the room.Each time you go to another part of the room, the season increments
5. Take the trunk from the bottom of the pond, then "exit pond"
6. Return to the puzzle room and put the trunk in the box and pull the lever

Clue Five

1. Push the button and receive the fifth clue (answer: honey)
2. Take the lighter and go back to the Four Seasons rooms
3. Go to Four Seasons SW during the fall and take the leaves pile
4. Go to Four Seasons NE any season but winter and light the leaves
5. Climb the tree to get the honey (or shoot it down with the slingshot)
6. Return to the puzzle room and put the honeycomb in the box and pull the lever

Clue Six

1. Push the button and receive the sixth clue (answer: nothing)
2. Make sure the box is empty, then pull the lever

Clue Seven

1. Push the button and receive the seventh clue (answer: walking picture)
2. Go to Main Hallway South and examine the photos
3. Take the walking photo
4. Return to the puzzle room and put the walking photo in the box and pull the lever

Clue Eight

1. Push the button and receive the eight clue (answer: something red)
2. Go to the Reading Area and move the bookshelf (literally type "move bookshelf")
3. Enter the wall (literally type "enter wall")
4. Examine pedestal in Liebrary
5. Take the red book
6. Return to the puzzle room and put the red book in the box and pull the lever
 - going east in the Liebrary will get you back to the Reading Area

Clue Nine

1. Push the button and receive the ninth clue (answer: north east west)
2. Get the roast from the Dining Room if you don't already have it
3. Go north of the Puzzle Room to get into the Infinity Pool
4. Go North, then East, then West
5. Greet Willy
6. Ask Willy about ants

Fun things to try:

- try putting the termites on various wooden things in the game
- try "xyzzzy"
- try "zork"
